How the School is Governed

Sunset Sudbury School, Inc. is run democratically at all levels. Below is an overview of that structure with brief descriptions. See Sunset Sudbury’s Corporate By-Laws for more details.

**Assembly:** Sunset Sudbury School, Inc. is a non-profit corporation with no shareholders. Instead, the corporation consists of the school’s Assembly, which is made up of students, staff, and parents. The Assembly meets regularly twice per year, in the fall and late spring. The Assembly determines all the school’s basic policies including the annual budget, salary scales, tuition, and school calendar. It also elects officers. Every spring there is a Special Assembly Meeting for awarding diplomas.

**Officers:** The Officers of the corporation are a President, who presides at the meetings of the Assembly and the Board, and whose most important power is that of calling special meetings when s/he sees fit; a Vice President, a Secretary, and a Treasurer. All are elected for a two-year term at the spring Assembly meeting.

**The Board:** The Board acts as the advisory panel to the Assembly and School Meeting. The Board studies at best it can the various questions referred to it and reports back when it is ready to do so. The Board consists of the Officers, two elected Assembly members or members of the community (also for a two-year term), and one student representative elected yearly through School Meeting.

**School Meeting:** The day-to-day life of the school is governed by the School Meeting. It consists of all students and staff, each of whom has one vote. The School Meeting meets once per week and runs according to strict rules of order. It spends the money, hires (and fires) staff, passes all the school rules (see the “School Meeting Law Book”), oversees discipline, and sets up all sort of administrative entities to keep things running smoothly. It is presided over by the School Meeting Chairman and elects a Secretary to keep records.

**Clerks, Committees, and School Corporations:** Clerks are basically administrative officers who keep the school running smoothly like the Attendance Clerk, the Office Clerk, and the Official Authorities Clerk. Committees take care of broader tasks like public relations or fund-raising. School Corporations are formal interest groups that have their own budget much like departments at other schools. However, they are formed and disbanded by the needs and interests of the students. (See “Sunset Sudbury – Clerks and Committees” for more details.)

**Judicial System:** Disciplinary problems are taken care of by the Judicial Committee, which consists of at least two students and one staff member. The details of the system are spelled out in the School Meeting Law Book, which is a living document. Every law is passed by a majority vote of the School Meeting and can be changed or added to at any time by vote.
